Mrs. Parks Dead.

Mrs. Parks living at 225 east 3rd St. died yesterday at noon of consumption of which she has been a long sufferer. She leaves a large family to mourn her loss.

The remains will be buried at the Pleasant Valley Cemetery near Sedgewick City, tomorrow.

Dead-LOCK.

The republican judicial convention met in this city yesterday at 10 o'clock. The three counties have 15 delegates each and each county has a candidate. Harvey county presented the name of A. L. Greene; McPherson is for Matt Simpson while the Reno delegates are for Judge Martin. At 10 o'clock last night 100 ballots had been taken, each county standing by its choice. This morning the situation remains unchanged, and look very much as though an adjournment will be taken.

Base Ball.

A hotly contested game of base ball was played here by the Hutchinson and Wichita traveling men's clubs last Saturday. At the close of the game the score stood 27 to 28 in favor of Wichita.

Mr. Hackett of this city was run into and badly hurt during the game. He finished the game however, but was taken unconscious at the hotel, and for several hours his life was despaired of and his parents were sent for. Through hard work of the doctors he was brought through.

A Narrow Escape.

Last Thursday evening Mr. John Gilliland of Clay township was driving to town, his horse became frightened and ran away with him. The course of the runaway was from east Sherman street near L. A. Bigger's residence, west to Washington Street, then north to the Red front barn, at which place in turning a sharp corner threw Mr. Gilliland out breaking his shoulder and otherwise bruising his person. He was taken to the Midland hotel where he has been ever since. No serious damage was done the horse or carriage, but Fatty's bull dog at the fire department got a broken leg by being run over.

W. C. T. U.

The state meeting of the W. C. T. U. convened in this city last Wednesday and continued in session three days with a good attendance. An excellent program was executed, and the visitors were royally entertained by the local members. A trip was taken to the Reformatory on Friday.

The resolutions adopted covered about everything. They appreciated the attempt of the state official to enforce the prohibitory law in some of the cities; deplored the Sabbath desecration by running excursions; denounced the sale of hop ale and other non-intoxicating drinks, and urged local unions to drive it out before it becomes established; Demanded equal suffrage, national prohibition, favored the forming of anti-cigarette leagues; Commended Dr. Parkhurst in his attempts to stamp out the social evil; Requested that the teachers in public schools devote a short while each week in teaching kindness to the lower animals; Favored municipal regulation that would keep boys off the streets after nine o'clock; Paced the organization on record as against mob law, capital punishment and all lawless proceedings.

The next meeting of the union will be held at Kansas City, Kansas, one year from now.
